VISION
To foster prosperity through technological development by means of education, innovation and collaborative research and emerge as a premier technical institute.

MISSION
To provide quality education of international standards for producing technocrats and future leaders in a disciplined and conducive environment as an integral part of our social commitment to promote education in eastern India.

STUDENT ACHIEVEMENTS

♦ Mr. Mrinal Sekhar, Mr. Manav Kumar, Mr. Harsad Kumar and Mr. Rahul Ranjan along with their guide Prof. D. K. Samal have been awarded the first prize with gold medal for the working model ‘Distillation column with moving bubble cap’ in the event Chem-E-Model at INNOVA 2K16 conducted by Jadavpur University on 23rd March, 2016. Institutes like Heritage College of Technology, Jadav Pur University and HIT, Haldia participated in the event.

♦ Mr. Swaraj Mohanty, a 3rd year student of the Dept. of Biotechnology, has been selected for Summer training programme at Centre for Cellular and Molecular Biology (CCMB), Hyderabad.

♦ Ms. Sasmita Sadangi (Dept. of EE), Ms. Sabatini Kartik (Dept. of Meta), Mr. Gyanaranjan Majhi (Dept. of Mechanical) & Mr. Lokesh Kumar Sabar (Dept. of Civil) students of 3rd year have got the meritorious scholarship from JK Paper Ltd. on 6th May 2016 under educational scholarship scheme.

♦ Mr. Amit Kumar Biswas a student of 3rd year, Dept. of Biotechnology, has been selected for Summer training programme at University of Hyderabad, Hyderabad, which is sponsored by Indian Academy of Science with fellowship Rs. 8000/-. 

♦ Mr. Adarsh Goel, Mr. Kuresh Chandra Tripathy, Mr. Smruti Ranjan Nisanka, Mr. N. Choudhury, 3rd year students of Dept. of Civil Engineering attended IIT Mumbai in the Bridge making competition.

STUDY TOUR

♦ Third year students of the Dept. of Chemical Engineering had gone for an Industrial visit to J.K. Paper Mill, Rayagada on 16th April, 2016. Prof. S.K. Bindhani guided the students on this industrial tour.

♦ Final year students of the Dept. of Chemical Engineering had gone for an Industrial tour to Visakapatnam on 18th April, 2016. Prof. Suman Mishra and Mr. Pedina Sibakrishna guided the students on this industrial tour.
Faculty members and students of the Department of Mechanical Engineering have published 51 research papers in different International journals in the month of April & May 2016.

Faculty members and students of the Department of Electronics Engineering (ECE & EIE) have published 44 research papers in different International journals in the month of April & May, 2016.

Faculty members and students of the Department of Electrical Engineering have published 20 research papers in different International journals in the month of April & May, 2016.

Faculty members and students of the Department of Civil Engineering have published 44 research papers in different international journals in the month of April & May, 2016.

Faculty members and students of the Department of MBA have published 01 research papers in different International journal in the month of April & May, 2016.

DST PROPOSALS SUBMITTED

♦ Prof. G.R.K.D. Satya Prasad, HOD Dept. of EE, as Principal Investigator and Dr. Jagadish Panda, Vice–Chairman, GGI as Co-Principal Investigator submitted a Research proposal of worth 36 lakhs on “Energy performance of a domestic grid-tied Zero Energy buildings integrated with onsite renewable energy technologies” under “Initiative to Promote Habitat Energy Efficiency (I-PHEE)” supported by DST.

♦ Prof. R.R. Sabat, HOD Dept. of EEE as Principal Investigator and Mr. G.R.K.D. Satya Prasad, HOD, Dept. of EE as Co-Principal Investigator presented a research proposal on “Development of Pico Hydro-Solar-Wind-Hybrid System with Phytoremediation in Tribal/Hilly areas” worth of 42.36 Lakhs on 4th May 2016, at the Indian National Science Academy, New Delhi supported by DST.

EVENTS ORGANISED

♦ Dept. of Chemical and Civil Engineering organized the Farewell meeting in order to bid adieu to the final year students(2012-16 batch) on 24th April 2016. Final year students shared their four years journey in GIET amidst the presence of Faculty members and juniors.

♦ Department of Electronics Engineering (ECE & EIE) conducted a two days workshop on “Training on Industry Oriented Embedded System” on 1st & 2nd April, 2016.

WORKSHOPS CONDUCTED

♦ Department of Electronics Engineering (ECE & EIE) conducted a two days workshop on “Image and Video Processing and It’s Advances” on 12th & 13th March, 2016.

♦ Dr. Nikunja Kishore Patra, Chief Librarian of Central Library, GIET, Gunupur has been awarded with Ph.D degree in “Library and Information Science” under Berhampur University, Berhampur.

♦ Dr. Siba Prasad Panda, Librarian of Central Library, GIET, Gunupur has been awarded with Ph.D degree in “Library and Information Science” under Berhampur University, Berhampur.

♦ Dr. Shantanu Bhattacharjee, Former Chief Scientist, NML, Jamshedpur delivered a lecture on “Waste water treatment, Water Auditing and its application, Arsenic removal from waste water” on 15th April, 2016 in the Dept. of Chemical Engineering.
TRAINING:
Pre-final year B.Tech students of the Dept. of CSE & IT participated on a Six days “Globaledify Launch pad program” by Pratian Technologies (India) Pvt. Ltd from 11th to 16th April, 2016. This is an initiative of the “Digital India Movement”. Through this training programme, students have got an opportunity to know about the booming IT Industry.

PLACEMENT:
Placement Drive continued unabated all through April and May to ensure that maximum number of students got placed before they leave the Institute.
